

Adaptive Finite Element Methods (Lecture) Information

General information

Time: Tue 14:00 - 16:00, MA 642
Thu 12:00 - 14:00, MA 548

No lecture on the 14.05.2015 (Christi Himmelfahrt)

Office hours

Agnieszka Międlar Tue 12:00 - 14:00 MA 462 miedlar@math.tu-berlin.de

Secretary: Mo, Tue, Thu, Fr 9:30 - 11:30 MA 471
Kerstin Ullrich Tel. 79706 ullrich@math.tu-berlin.de

Course Information

Since there is no separate exercise session associated with this lecture, some lectures will be used to discuss exercises and present FEniCs.

Homepage: <http://www.math.tu-berlin.de/~miedlar>

Exam

To be eligible for the exam you have to **present in the class a solution of at least one exercise** from the exercise sheets posted on the course website. The final exam will be an **oral exam**.
